Re: Public Transportation Support

The Mayor and Town Council for the Town of Red River acknowledges support to continue public transportation under Section 5311 for the fiscal year 2021-2022. The grand funds will be utilized to continue year-round transit service. The Town has committed Lodgers' Tax as matching money for this purpose.

Town leadership feels there is a need to provide public transportation for the residents and for more than 320,000 tourists visiting Red River annually.

Respectfully yours,

Linda Calhoun
