over 10 years, and to ensure course quality,  
created a set of standards and guidelines for  
all online courses.

The guidelines are based upon the University  
of New Mexico’s online course standards,  
evidence-based practices for teaching and  
learning, federal compliance requirements  
for online courses, and national standards for  
quality online course delivery.

These comprehensive guidelines ensure  
continuity of quality, procedures,  
organization and content for UNM-LA  
online classes. On-going peer reviews of  
online classes by both subject matter experts  
and experts in online teaching support  
continuous improvement efforts by all  
faculty, with the goal of enhancing the online  
classroom experience for all students.

“We are committed to providing the support  
and training that our online instructors need

in order to continue offering effective online  
classes that help our students to achieve their  
educational goals,” Schauer said.

In addition to providing extensive faculty  
support, UNM-LA provides broad support to  
students who take classes online.

A tutor who is dedicated to supporting  
students who need help with technology,  
websites, or any processes required for  
online learning is available through the  
Academic Support Center (ASC).

The ASC also offers subject-matter tutors  
in Math, English and Science. All tutors are  
available to work remotely with students  
using Zoom. For students who may not have  
access to a computer, campus IT has laptops

or face to face.”

Students at UNM, especially in online  
classes, have varied backgrounds. Many  
are traditional college age, degree seeking,  
students, while others include high school  
and home school students getting a head  
start on college classes, individuals looking  
at preparation for a new career, and persons  
exploring new areas as life-long learners.

Registration is ongoing for UNM-LA fall  
classes which begin on August 17. For  
information about enrollment, contact  
Student Services at 505-662-5919 or  
unmlainfo@unm.edu.

UNM-Los Alamos is an innovative, rigorous,  
and affordable comprehensive branch  
community college that provides foundations  
for transfer, leading-edge career programs,  
and lifelong learning opportunities.

**LEGAL NOTICE**  
NOTICE is hereby given that on June 16, 2020, Armando F. and Linda D. Sanchez, whose mailing address is P.O. Box 398, Alcalde, New Mexico 87511, filed with the STATE ENGINEER Application No. SD-06620 for Permit to Change Point of Diversion, Place and Purpose of Use of Surface Water within the Upper Rio Grande Basin of the State of New Mexico. Taos County is the County affected by the diversion and in which the water has been or will be out to

beneficial use. This notice is ordered to be published in the Taos News. The Applicants seek to change the point of diversion, place and purpose of use amount of 1.75 acre-feet of water rights appurtenant to 0.583 acres of land, located Section 22, Township 22 North, Range 12 East, on land owned by Armando and Linda Sanchez. The water rights divert from the Armando Sanchez Ditch, with a point of diversion located at a point where X = 440645.362 and Y = 3998705.808 (UTM, NAD 83, meters), also located Section 22, Township 22 North, Range 12 East, on land owned by Armando and Linda Sanchez. The Applicants propose permanently retire 1.75 acre-feet of water rights appurtenant to 0.583 acres of land from irrigation use to offset the evaporative loss of an irrigation and livestock pond. Furthermore, the Applicants seek to temporarily retire, 0.6 acre-feet of water appurtenant to 0.2 acres of land, for one year, to offset the initial fill of the pond. The proposed pond will be approximately located at a point where X = 440655.747 and Y = 3998813.391 (UTM, NAO 83, meters, within the Santa Barbara Land Grant and have a surface area no greater than 0.1 acre. The water right is not within a Community Ditch or Acequia and therefore the application does not require compliance with NMSA 1978 §72-4-24.1. All points of diversion and the place of use in the application are located in Taos County. To view the application and supporting documentation contact the State Engineer District Office to arrange a date and time for an appointment at the District VI Office. 407 Galisteo Street, Santa Fe, New Mexico 87504. Any person, firm or corporation or other entity asserting standing to file objections or protests shall do so in writing (objection must be legible, signed, and include the writer's complete name, phone number, email address, and mailing address). If the protest does not include the complete name, phone number, email address, and mailing address, it may be deemed invalid and not accepted for filing unless Protestant 'provides with the protest an affidavit stating that it does not have one of the above-listed elements/requirements (phone number, mailing address, email address, etc.). The objection to the approval of the application must be based on: (1) Impairment; if impairment, you must specifically identify your water rights; and/or (2) Public Welfare/Conservation of Water; if public welfare or conservation of water within the state of New Mexico, you shall be required to provide evidence showing how you will be substantially and

be substantially and specifically affected. The written protest must be filed, in triplicate, with the State Engineer, District VI Water Rights Division, delivered in person to 407 Galisteo Street or mailed to P.O. Box 25102, Santa Fe, New Mexico 87504 on or before October 16, 2020. Facsimiles (faxes) will be accepted as a valid protest if the hard copy is hand-delivered or mailed and postmarked within 24-hours of the facsimile. Mailing postmark will be used to validate the 24-hour period. Protests can be faxed to the Office of the State Engineer, 505-827-6682. If no valid protest or objection is filed, the State Engineer will evaluate the application in accordance with the provisions of Chapter 72 NMSA 1978.
