Mrs. Annette Granillo, Transit Manager
Atomic City Transit – Los Alamos County
101 Camino Entrada, Building 1, Room 200
Los Alamos, NM 87544

Dear Mrs. Granillo:

North Central Regional Transit District (NCRTD) writes in support of Atomic City Transit (ACT) and its FFY2020 §5311 GRANT APPLICATION TO New Mexico DOT. ACT and NCRTD provide coordinated efforts to ensure service connectivity to the extent feasible within Los Alamos County. Some of the efforts thus far to ensure coordination of services include:

- Service change or schedule modification review (prior to implementation).
- Quarterly coordination meetings to review practices, discuss software issues (ITS software procures jointly), share subject matter experts across agencies to train each other, etc.
- Coordinated efforts to honor paratransit eligibility between Atomic City, NCRTD and Santa Fe Trails (to benefit the passengers).
- Los Alamos County will be providing CDL examiners for CDL testing requests from NCRTD.

NCRTD is fully supportive of Los Alamos and Atomic City Transit and its public transit program. NCRTD and ACT will continue to coordinate transit services where feasible and will continue to support each other's efforts to provide regional connections to our constituents.

Sincerely,

Anthony Mortillaro
Executive Director
North Central Regional Transit District

COUNTY MANAGER

Harry Burgess

Dear Mrs. Granillo,

Social Services Division of Los Alamos writes in support of Atomic City Transit (ACT) and its FFY 2022 §5311 grant application to New Mexico Department of Transportation. As the Social Services Manager, our Senior Centers and ACT provide coordinated efforts to ensure services connectivity with our shared customers as an essential service to our community members. Some examples of the efforts taken to ensure coordination of services include:

Holding a quarterly meeting at both Senior Centers (Los Alamos and White Rock locations) to allow ACT to present information regarding program, eligibility and assistance for those seniors that may qualify for paratransit services as well as route planning for seniors that may choose to use the fixed route system.

Senior Center personnel assist seniors throughout the year in the application process of ACT paratransit services. Senior Center and ACT personnel may call on each other to check availability of same day services for customers and coordinate accordingly.

ACT and the Community Services Department/Social Services Division also collaborates to provide safe-ride services to community members during our summer concert series and with the Local DWI Program and alcohol establishments during major holidays identified as having a history of high alcohol consumption. The Community Services Department/Social Services Division is fully supportive of ACT and its public transit program. We will continue to support each other's services and efforts to provide connections to our customers

Sincerely,

Donna Casados
