Southeast Regional Transportation Plan

Format – The Plan has a very difference appearance in that the theme was changed to include photos of MainStreet/downtown areas within the region.   With the varied elements included (charts, maps, photos, tables, etc.), a tracking format was too difficult for reviewing and a summary, instead, is being provided below.

Introduction
- ✓ Updated section.

Existing and Future Conditions
- ✓ Updated section, adding language about pandemic and census.

Demographics
- ✓ This section was greatly expanded, to include charting provided by NMDOT's consultant (High Street Consultants) and decennial census charting (using BBER data).

Key Industries
- ✓ This section was expanded, current plan only lists some projections.

Targeted Industries
- ✓ This section was added.

Local Economies.
- ✓ Matched Taxable Gross Receipts (MTGR) section was added; workforce data was updated.

Land Use and Communities
- ✓ Land area narrative was expanded, to include mapping.
- ✓ Scenic byways section added.
- ✓ NM MainStreet section updated.
- ✓ Opportunity Zones section was added.
- ✓ Colonias section was updated.
- ✓ Public health (regarding obesity) was removed.

Key Challenges and Opportunities
- ✓ 2022 RTP Update section was added.

Transportation System Overview
- ✓ Highway Section was updated.
- ✓ Functional classification section was added.
- ✓ Roadway System Tier information was removed.
- ✓ Public Transit service section was updated, to include individual pages for public transit providers in the region.
- ✓ Freight corridor section was updated.
- ✓ Safety corridor section was added.
- ✓ Strategic Highway Network section was added.
- ✓ Alternative Fuel Corridors section was added.
- ✓ Bicycle Network section was added.
- ✓ Airport Network section was added, to include individual pages for airports in the region.
- ✓ Railroad Network section was added.

Appendix
- ✓ Overview of 2020 (2020-2022) Public Outreach Process was added, to complement the 2014 Public Outreach Process section and copy of SERTPO Survey included.
- ✓ Acknowledgements (2022 RTP Update) was added/reformatted.
