- a. If any meeting is closed during an open meeting, the closure shall be approved by a majority vote of present voting members only if there is a quorum. - c. After completion of the closed meeting, minutes shall state whether the subjects of discussion were limited only to those in the motion or notice for closure. This shall be recorded in the minutes of the respective open meeting that was closed or the minutes of the subsequent open meeting of the closed meeting that was scheduled outside of the regular meeting schedule.
